

# Agar Hum Zinda Hain aur Zindagi

## Introduction

When an actual poet speaks – he defines it as a line, which then is a political line, or poetic line or philosophical line, which then is applied and follows a rule.

If the rule messes up, it is Messianic.

If language is getting like a bad sense, labour, work and learn.

That Messianic scripture is still inadequate, but that's language.

Speak in Urdu, and find something else –

Main aise chala ki poorā din chala,

Agle din bhi chala,

Chalna seekho, accha kaam dhoondo.

Waisa, jaisa lage.

Kaisa laga, achcha laga.

Hava dhoondo, aur achcha hai toh kaam seekho.

Kaam, tamam kaam pe lago,

Meccan days.

### I. What's the Bet

Zinda hain, zindagi

Kuch to de, jeene ke liye.

Main kahunga, is taraf se dekho,

Agar marein, toh marein,

Lekin maarein goli, toh zinda,

Lekin zindagi chalte jayein.

Free.

### II. Kaise Free

Ek taraf se, Hegel jhaado,

Aur uska lekh dekho,

Aur nishana, apna nazariya

Daalo

Aur marein toh,

Lekh alag laga,

Letters,

Numbers,

Poems,

Infinite.

### III.      Aaage Dekho

Aaage aur peeche,

Do zarda hain,

Kaam zaidi hai,

Zaidi ka Matlab,

Ittifaq.
